

The ones who are crazy about speed can satisfy their pleasure by jet skiing on the deep blue waters. You can lose yourself in pure adrenaline while challenging the waves on the jet ski that has two different speeds for the professionals and amateurs.

If you are contemplating sailing off on the safe waters, either on your own or with a group of two or three friends, the safest marine sport for you would be Catamarans. The only thing you need is a breeze out at the Mediterranean Sea, and some notions of sailing. Let the pleasant dreams be yours with the breeze brushing gently your face...

Paddleboarding which has spread out from Hawaii to the whole world is a pleasant sport that can be done solo by children, women or men. If you trust your balancing skill, you can either compete with your friends or have fun on your own on calm or slightly wavy waters.

If the time has come for reaching the peaks of passion, excitement and adrenalin rush, just brace for it.... After a few days of training and especially if you have self confidence and if there is wind of above 10 knot, it means you are ready... When Kite surfing, you embrace the sea with your feet on the board and holding on to the line of your kite which is 7-21 meters wide and controlled with a manouvering stick held in hand and tied to your waist with a harness belt. There is no limit for pleasure and none for imagination...

And those who want to test their strength can do it either alone or together with a friend, give way to the shovels of kano and discover the coasts of North Cyprus. Knock yourself out...

NOTE:

While practising water sports you can have professional assistance and a short training in advance. The time for water sports is limited to 15 – 30 minutes per activity depending on the type of sport you prefer.

You can get on-line real time information about the situation of the sea and wind at many points of North Cyprus.

LOVE... PASSION... EXCITEMENT...

If you are crazy about the deep blue, beautiful foamy waves, and about reaching the apex of excitement, how about diving into the crystal waters of Mediterranean?

You have the opportunity of making your holiday unforgettable by trying all types of water sports in the deep blue sea, at the endless beaches and the most beautiful coasts of North Cyprus.

You have the chance of enjoying surfing, wake boarding, a sensational tour on the ringo banana or banana, fly fishing, kite surfing, parasailing, jet skiing and canoeing at North Cyprus which is the meeting point of those who are in love with sea.

If you want to try surfing by benefiting from the calmness of the morning and the grogginess of the sea you may try mono and kombo water ski by using in turn one and two kayaks during the same day. You can have a unique holiday, and reach the apex of pleasure, with the adrenalin rush and joy of hanging on at the end of the ski line when the speed boat reaches a maximum speed of 28 – 35 sea miles, before leaving yourself into the cool waters as if reaching for the skies.

Wakeboarding which is easier and is done with a broader kayak can be a safer alternative for those who say that surfing is not quite their way of having fun. You can enjoy the pleasure of speeding with a wake board on which you can control your body much more easily and wouldn't have to compromise your safety.

It is a true challenge to deal with waves when the sea starts to get rough later in the day... You can settle and hold firmly onto the ringo banana which is pulled by the speed boat as if it were a chevalier ready to combat with the waves and you can witness the rise of the ringo banana splitting the waves while you put up a fight not to fall into the sea.

It's a pleasure apart to enjoy a session of rodeo in the sea together with your friends with guaranteed bursts of joyous laughter. Who will fall? Who will succeed to stay on the banana become the winner?

Flying on the sea? Yes this is not a dream anymore; together with two or three of your friends aboard the "flying fish" boat, you can take off with the hurricane fast boat and feel yourself lost among the waves. A must try ...

Are you ready to fly over the calm sea and watch the scenery from above without your feet touching the water? If so it's time for parasailing... Blasting from the speed boat you can feel free as a bird and be the master of skies. When it's time to turn around you may have a smooth landing on the deck of your boat and keep forever the delightful memory of flying.
